### And What Have You

By BOB CRAIG

With deer season opening over most of the state this Saturday we are passing along this description of the model deer hunter-sportsman prepared by the Texas Parks and Wildlife Department.

He makes supreme safety a top target;

He is never careless with fire in any form, afield or in camp;

He is considerate of the land owner at all times, meticulously closing gates, never firing toward buildings or livestock;

He practices conservation even to painstakingly dressing his kill and protecting the meat;

He makes certain that his deer is properly tagged;

He leaves a forwarding address to spare authorities in the hunting country from trying to locate him during home emergencies;

He is particularly alert about NOT littering someone else's property with bottles, cans, paper or other debris;

He practices good sportsmanship and does NOT try to claim another's kill;

He shares his hunting privileges with his boy and, all things being equal, with his wife;

He never inspects, much less demonstrates, another's gun unless permitted to do so;

He faithfully makes a maximum effort to retrieve a wounded deer;

He carries adequate emergency equipment and supplies for first aid or for tiding over in the event of becoming lost;

He chooses his hunting companions carefully, for the protection of all;

He never permits his loud nighttime carousing to disturb companions bent on hunting daytimes rather than on nocturnal nonsense;

He always remembers that Department field personnel are there primarily to help him as well as future generations enjoy a great sport.

We receive a little publication each month called "Cheer" that contains a mixture of humor, philosophy, and just bits of brief information. The following two articles are taken from an issue of this magazine.

"Many great inventions have been made by individuals who were able to see the relationship between something casually observed and something they were trying deliberately to do. Whether or not these legends are true, there is an element of truth in all of them.

"Eli Whitney was struggling with the problem of an easier way to get the seeds out of the cotton boll than by hand picking. Looking out a window he saw a fox trying to get his dinner out of a chicken coop in the yard. The fox clawed at the wire and pulled out plenty of feathers but no chicken.

"Whitney saw the beginning of the answer to his problem — a claw or rake that would pull the cotton fibers through a grid and leave the seeds behind."

"The absent minded professor is not the product of any anti-intellectual era. He is as old as humor itself. The source of the following story in the "New York Times Magazine" is an old Greek joke book:

"A barber, a bald-headed man and a professor were traveling together. They had to sleep one night in a lonely area and agreed that they would take turns guarding their possessions.

"The barber took the first watch. Wishing to play a joke, he shaved the professor's head while he slept. When the barber's watch was over, he awakened the professor.

The professor, rubbing his head as he awoke, discovered that it was bare. "Why that scoundrel," he exclaimed, "He's awakened the bald-headed man instead of me."

## San Antonio Securities Firm Low Bidder On High School Bonds

The new high school building for Hamlin came one step nearer Monday night as the Board of Trustees voted to accept the bid on the \$750,000.00 bonds of Columbia Securities Corp. of San Antonio for an average interest rate of 4.79462 percent.

Before the sale can become final the bond must be offered to the State Board of Education, which has the privilege of buying the bonds at this rate of interest. Following this, the Texas Attorney General must approve the bonds and they will then be printed and signed.

Supt. C. F. Cook said Wednesday that he expected the

school to receive the money for the building about Dec. 15. The board plans to invest the money in short term bonds until it is needed to pay the building contractors.

At this time, no estimate has been made as to when bids will be let but with the selling of the bonds the architects can complete the plans and get ready for the bidding.

Four firms entered bids on the bonds with the high bid coming to 4.912905 percent. This was Rauscher-Pierce Securities Corp. of Dallas. Other bidders were First Southwest Investments of Abilene, 4.816211 percent; and Rawles-Winston and Co. of Houston, 4.8213186 percent.

JAYNE CAROL TURNER  
... FFA Sweetheart

### Jayne Turner Named FFA Sweetheart

Jayne Turner was revealed as the 1966-67 Chapter Sweetheart of the Hamlin FFA Chapter at the pep rally last Friday. Jayne is an HHS junior and the daughter of Mr. and Mrs. J. C. Turner.

She is an active member of the Future Homemakers of America, the Band and Stageband, the Library Club and the Spanish Club.

She has been Piper Queen nominee two years and Carnival Queen nominee one year. She was class reporter and class favorite her freshman year. Last year she was class secretary and she received Rotary Club Award for being the most outstanding sophomore girl. This year Jayne is junior class reporter.

Jayne will represent the Hamlin FFA Chapter in the Stamford District FFA Sweetheart contest next spring and in the Jones County Cotton Queen Contest and the West Texas Fair Sweetheart Contest next fall.

She will serve as official hostess for the 1966 Stamford District FFA Leadership Contests next Wednesday. The Contests are being hosted by the Hamlin FFA Chapter.

## Meeting Set In Stamford Monday Night On Area Junior College

A meeting on tap at 7:30 p. m. in the new Stamford High School Auditorium indicates an acceleration of activities in establishing a junior college in this area, Mrs. Luther Burkett of Haskell chairman of a five-county steering committee, announced.

Purpose of the meeting will be to present the area junior college program to the citizens of Jones county. Since the project was launched to establish a junior college, Jones county has been added, making it a five-county area now composed of Haskell, Stone-wall, Throckmorton, Knox and Jones.

The petition for a junior college has been presented to the State Coordinating Board of Colleges and Universities and referred to the research committee, and after study of the program for this area, the committee recommended that Jones county be added. A survey of the five-county area reveals enough scholastics to create an area junior college.

"The meeting Monday night will be open to everyone," Mrs. Burkett said.

### Grandfather Dies

Funeral for H. M. West, 85, grandfather of Mrs. Ted S-ay, was held in Stamford First Baptist Church Thursday at 10 a. m. Rev. Jack Southland, pastor, officiated.

Mr. West, a longtime Stamford area resident, died at 7:40 p. m. Tuesday in Stamford Memorial Hospital after an illness of one year.

The Hamlin Jaycee-ettes will sell light bulbs Wednesday, Nov. 16, from 4 to 6:30 p. m. The proceeds will go toward a community center which the Jaycees and Jaycee-ettes plan to build.

## Tower Carries Local Boxes In Close Senate Contest

Less than 500 cast votes here in Tuesday's general election which saw the only contested race, that of U. S. Senator, go to the incumbent, Republican John Tower, in a close race with Democrat Waggoner Carr. Carr carried Jones County by 84 votes.

Locally, John Barnett was elected to Justice of the Peace, Precinct 5, with 37 write-in votes. J. B. Eakens received eight votes, also write-ins. Statewide totals, still incomplete Wednesday afternoon, were Tower, 746,440; Carr, 572,071; for Governor, John Connally, 887,286; T. E. Kennerly, 319,714.

The county total for Connally was 1543 to Kennerly's 342.

All 16 amendments to the constitution were approved by Hamlin and Jones County voters but across the state, number four was defeated. At the Hamlin West Box 367 votes were polled. Miss Lennie Greenway was election judge. In the East Box 123

votes were cast. Tom Routh was judge.

### Services Held Here For J. W. Campbell

Services were held here Saturday at 10 a. m. for James Wallace (Unc) Campbell, 77, of Abilene. A retired ginner, he died at 3 p. m. Thursday in Abilene.

He was born Feb. 16, 1889, in Abilene. He was the son of the late Rev. and Mrs. John Campbell. He was a Methodist.

Services were held at Central Avenue Baptist Church with Rev. Weldon Counts, pastor of Foursquare Gospel Church officiating.

Burial was in Hamlin East Cemetery.

Survivors are a brother, Robert H. of Abilene; two sisters, Mrs. Kate Boyer of Abilene and Mrs. Mary Price of El Paso.

Nephews were pallbearers.

## Burns Fatal to Freddy Kay, Fund Started

Freddy Kay, 16-month-old twin son of Mr. and Mrs. Billy Kay, died about 11 a. m. Sunday in Hendrick Memorial Hospital in Abilene. The child had suffered third degree burns in a hot water accident in his home on Rotan Highway on Oct. 24.

He was burned over some 75 per cent of his body, from the chest downward.

The child was given a series of blood transfusions. It was expected that he would improve to undergo plastic surgery in about three weeks.

Funeral services were held Monday in Marlin where Mr. Kay's parents live. Survivors include the parents, five brothers and sisters, Kenny, 8, Linda, 7, Betty, 5, Lois, 4, and his twin, Eddy. The child's mother the former Evelyn Joyce Helms, attended high school here. Her mother, Mrs. Homer Helms, and a sister, Mrs. J. D. Shelton, cared for the older children while the parents were in Abilene.

The couple moved here a year ago. He is a mechanic at Helm's Garage.

A fund was started last week to aid the family with expenses following the accident. Rev. Weldon Counts, pastor of the Foursquare Gospel Church, is the administrator.

The fund will now be the the Freddy Kay Memorial Fund.

Contributions to the memorial fund may be made at the Farmers and Merchants National Bank or to Rev. Counts.

### BAKE SALE

The Business and Professional Women's Club will have a Bake Sale Saturday in front of the Farmers and Merchants National Bank.

## Pipers Can Play Giant Killer Friday

The Pied Pipers can find themselves in the roll of giant-killer Friday night when they travel to Stamford to take on the Bulldogs in the season final for both teams. The Bulldogs are sitting on

top in District 5-AA with a 3-0-1 record, but a win by the Pipers would put the winner of the Anson-Winters game in the playoffs with a 4-1 record.

The Pipers came out of their hard fought 28-13 loss to Anson Friday night in good physical shape. Coach Joe Youngblood reported this week that his boys are in the best shape they have been in all year with every boy able to play.

The Bulldogs, who are 5-1-2 for the season, are rated a

strong defensive group having given up only 71 points while scoring 95. The Stamford offense is basically a ground attack, having gained 1,457 yards on the ground for a game average of 179.6 yards. The Bulldogs have completed only 14 passes in 42 attempts for 115 yards during the season.

Operating at quarterback for Stamford most of the time will be Jack Harkins who has gained 119 yards in 67 carries and has passed 34 times, completing 12 for 89 yards.

Top ground gainer for the Bulldogs is Mike Matthews with 540 yards in 107 carries for a 5-yard average. Van Grimes has gained 364 yards in 74 carries and Raymond Cedillo has picked up 339 yards in 82 trips.

Top lineman for the Bulldogs, both on offense and defense, is Joey Lawson who is

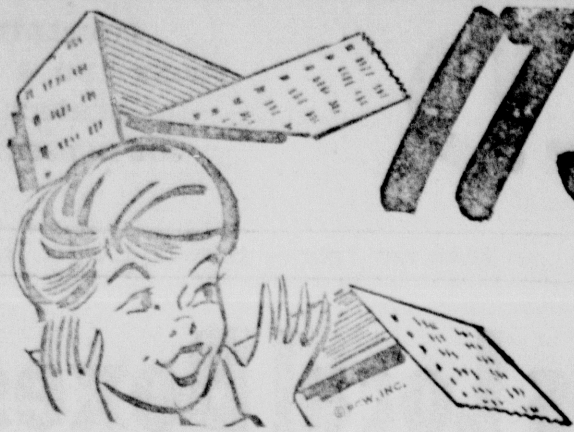

rated by many as an All-State candidate. Lawson has also kicked seven extra points this season and one field goal.

The Hamlin teams will see action on three fields tonight (Thursday) as the Freshmen host the Roscoe B Team here at 7:30, the B Team will travel to Haskell for a 7:30 game and the Eighth grade will be playing Stamford in Bulldog Stadium at 7:30.

### Stonewall County 4-H Awards Meet Set Monday Night

# Look what's happening at Mercury!

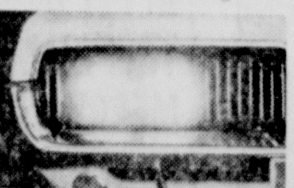

**Untamed elegance! America's first luxury sports car at a popular price.**

This is the day of the Cougar. An entirely new kind of driving machine from Mercury.

Mercury Cougar is a true luxury car. With an ice-cool elegance. With a European flair and thrust to its styling. With a roomy, full-width rear seat! With standard features found, until now, only in expensive cars. Examples:

Sequential rear turn signals are standard! They flash in three steps (at the rate of 70 times a minute) to point the way you're turning.

Concealed headlamps are standard! They hide by day and, cat-like, open at night. Inside, vinyl-covered bucket seats, cushioned with molded foam, are standard! Wall-to-wall deep-loop carpeting, standard! 3-spoke steering wheel, standard!

And in a car this luxurious, you'd expect a V-8 engine. Cougar has it. A 289

cu. in. V-8. Compression ratio: 9.3:1. And it uses regular fuel.

When we say Mercury unleashes Cougar, we mean it. Cougar is a superb sports car.

It moves on cat feet. Tracks you can indulge yourself in true. Rides smoother, quieter.

The price! Less than you'd expect. At previews, people have overguessed by \$1,000!

We believe Cougar is the best-equipped luxury sports car for the money.

And at Cougar's price, you can indulge yourself in such better-idea options as:

Stylish steel wheels. 4-speed

stick or "Mr. and Mrs." Select-Shift Merc-O-Matic that lets a man run it through the gears . . . lets his wife leave it in automatic. Also a 4-barrel Marauder 390 GT V-8. Vinyl-covered Oxford Roof. Sports Console.

Also: Tilt-Away steering wheel. Power disc-brakes up front. A finger-tip speed control mounted on the turn signal lever. But first: See Mercury Cougar. Untamed elegance. At your Mercury Man's, your Mercury dealer's.

## OLD GLORY NEWS...

By Judy White  
Ten members of the Old Glory Variety Club entertained their husbands last Friday night in the banquet room at Frazier's Cafe in Aspermont with the annual Thanksgiving turkey supper. Mrs. Adele Dudensing was a guest of Mrs. Katie Gerloff.  
Later the group enjoyed games of 84 and bridge.

Mrs. Jack Doty of Denver, Colo. was here last week visiting in the home of her mother, Mrs. W. G. Wienke. Another of Mrs. Wienke's daughters and her husband, Mr. and Mrs. J. G. Pope of Hempstead came last Sunday to spend a few days visiting with Mrs. Wienke.

Mrs. Carson Trotter of Wolforth visited here last week with Mrs. Henry Schmidt. Mrs. Trotter and Mrs. Schmidt were old school friends and had not seen each other for 24 years. Mrs. Trotter is the former Lavelle Cauthen of Lueders.

Two people in the Old Glory community suffered injuries from accidents last weekend.

Donna Bowler, daughter of Dr. and Mrs. Donald L. Bowler, received injuries in an automobile accident between Aspermont and Old Glory last Friday night. She is a patient in Hendrick Memorial Hospital in Abilene.

Leland Ashorn was injured when a tractor on which he was working last Sunday slipped into gear and started moving. The tractor ran over him, injuring an arm and shoulder. He is also in Abilene in Hendrick Memorial Hospital.

Mr. and Mrs. Eugene Gerloff of Lubbock were here last week end visiting his mother, Mrs. Katie Gerloff. Mrs. Gerloff returned home with them to spend a few days.

Mr. and Mrs. Otto Dudensing entertained with a 42 party on Tuesday night of last week. This was Mrs. Dudensing's birthday. Refreshments were served to Mr. and Mrs. Robert Dudensing, Mr. and Mrs. W. H. Vahlenkamp, Mrs. Henry Schmidt and Paul, Arthur Dudensing, Mrs. Hilda Koch, Mr. and Mrs. August Angerman, Mr. and Mrs. C. Bredthauer and Ernest, Mr. and Mrs. Rudolph Ramm, Mr. and Mrs. A. C. Ender and the host and hostess.

Mr. and Mrs. Wesley Tabb and children of Odessa were here last week end visiting her parents, Mr. and Mrs. Herbert Klump.

**BASKETBALL**  
The high school basketball teams split two games with Avoca last week. Tuesday night in the local gym Old Glory boys lost to Avoca, but the girls won their game. The same thing happened when the teams met in Avoca gym last Friday night.

FAIRVIEW NEWS...

By Mrs. Elmer Joiner  
This can hardly be called Fairview news this Monday morning, since I have not even seen Fairview in over a month and certainly do not know any news at this time. Having spent three additional weeks in the hospital, underwent surgery again for the second time since Aug. 25, it is understandable that I do not know very much of anything except hospital routine and trying to get well. I am thankful to say that I am on the road to recovery, having come home last Wednesday from the hospital.

Will have to be honest and say I am more willing than able to do anything and that includes pecking on a typewriter, but is very encouraging to be able to see an improvement each day, so it won't be too long before I am out searching for all of the news again.

From all reports the farmers are all busy harvesting the good crop they made this year, the killing freeze having happened last Tuesday night, being Nov. 1, a little early for one that killed everything the first time. Cotton that had been defoliated is being gathered and that which the freeze killed will soon be ready to go. It won't be too long now before it is all gathered if the pretty weather holds. The maize that was waiting for frost is also ready to combine so all of the men are either combining or stripping cotton and most of the women are hauling maize or cotton. Looks rather odd to see a great big trailer coming

down the road, pulled by a little pickup, driven by a woman. They tell me it is rather frightening until you learn the technique of it. Would be bad to turn one of the big things over loaded with more than one bale of cotton.

The bigger churches that lose their pastor have a custom of getting an interim pastor while finding a permanent one, so our church is doing that at the present. Rev. D. P. Pattillo, of Abilene, has been gracious enough to come each Sunday to preach for us, until we can see what we can do and also until he can see what he could do if we should call him for pastor. Having met him yesterday for the first time, I was very favorably impressed by his nice personality and think we would be blessed if he could see his way clear to pastor our little church.

Little Melody Holmes spent several days last week with her grandparents, while her parents, Mr. and Mrs. Jimmy Holmes, Big Spring, attended a teachers convention. Also visiting with her was Keanan Wright, grandson from Abilene. Melody reported that her mother and daddy had gone to a big party.

Rev. Pattillo and family spent Sunday as luncheon guests of the Woodrow Goodwins.

Mr. and Mrs. Roy Taylor came by last Friday, enroute home, which is near Muleshoe, from their cabin on Hubbard Creek Lake, having spent three weeks down there. Mr. Taylor is thrilled to death that it has rained enough for his boat dock to float at last, although the fish haven't gathered around very much yet. He told of putting out some bread trying to attract some fish and finding four pretty ducks having a feast. At least they can sit and fish from the dock, catching a few small ones, dreaming of what will be there some day. It has all come a long way since they went down there and built a cabin on a dry creek, several miles from any water.

Mr. and Mrs. Henry's nephew who has been in Abilene Hospital several weeks, is still in serious condition.

Mr. and Mrs. Winsor Gray

visited his parents in Anson Sunday afternoon. Mr. Gray was just recently discharged from the Anson Hospital again.

Was a great thrill to me Sunday night when I tuned in to the Stamford radio at seven o'clock, when the First Baptist Church came on the air, that the first thing they did was have baptismal rites for our little grandson, Ronald Joiner. Was all so plain that you felt you were there, instead of in a sick bed.

Once again I wish to take this chance to thank all of those that have been so nice to send me so many cards, letters, and many visits since I have been ill. It is so wonderful to have a good hospital, in your own home town, where you can be among friends, and even the nurses are mostly old acquaintances. They all were so nice that you can call them friends after spending three weeks with them. We should all be so thankful for our hospital and our doctors, as I said we do not have to leave home like so many of the people that you meet that do not have what we do in our town. Let us tell them how we appreciate them.

Sgt. James Brown Now In Vietnam

Vietnam — Army Sergeant James A. Brown, son of Mrs. Lizzie Brown, Hamlin, is a member of the 543rd Transportation Company which arrived in Vietnam Oct. 17.

He is an assistant platoon sergeant in the 543rd which was last stationed at Ft. Campbell, Ky. The unit is now part of the 1st Logistical Command.

Sgt. Brown, son of Clifton Brown, 844 34th St., Oakland, Calif., entered the Army in July 1948.

Sgt. Brown, whose wife, Vinita, lives at 323 Carver St., Odessa, Tex., attended Deep Priest High School and completed his high school education through the General Educational Development Test.

Shandra Joye is the new daughter of Mr. and Mrs. James Clayton Perry of Swenson. She weighed 7 lbs. 9 oz. and was born Nov. 2 at 3:47 a.m.

Mrs. and Mrs. Floyd Millisap of Abilene are parents of a boy, Joseph Edward, born Nov. 6 at 9:07 p.m. weighing 9 lbs. 14 oz.

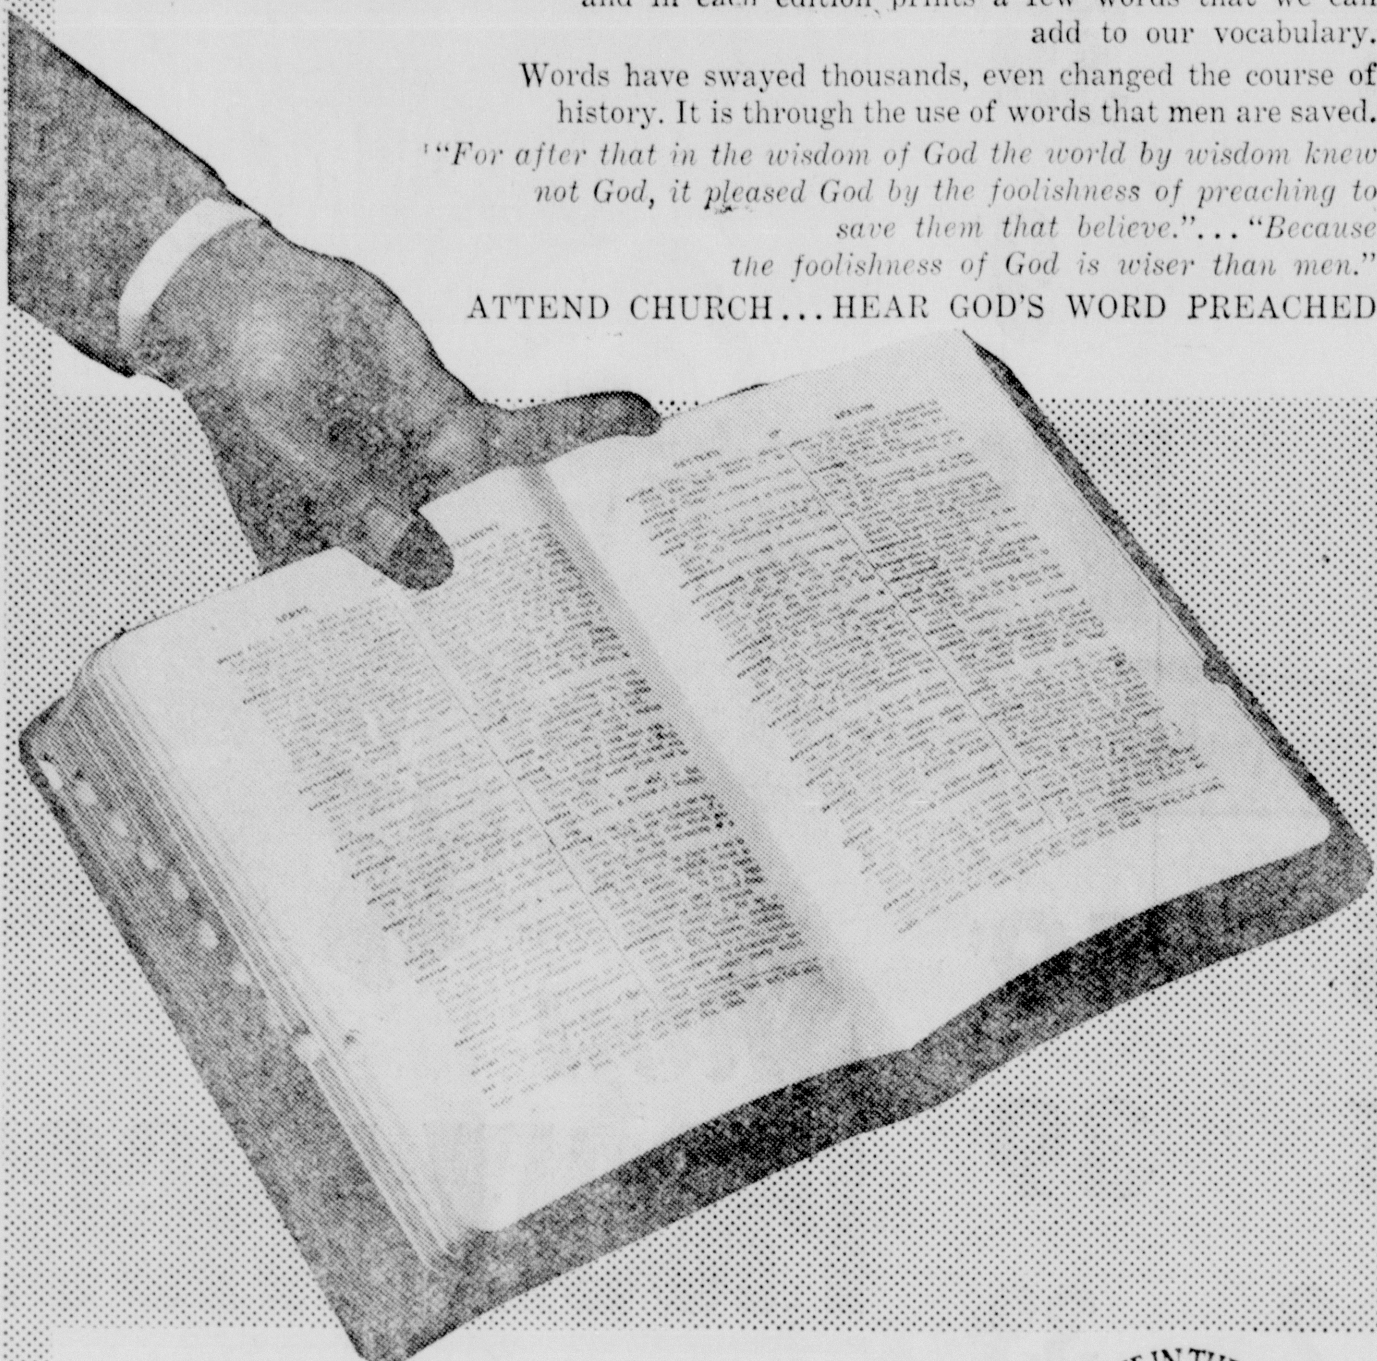

WORD POWER!

One of our popular publications, encourages the learning of new words, and in each edition, prints a few words that we can add to our vocabulary.

Words have swayed thousands, even changed the course of history. It is through the use of words that men are saved.

"For after that in the wisdom of God the world by wisdom knew not God, it pleased God by the foolishness of preaching to save them that believe."... "Because the foolishness of God is wiser than men."

ATTEND CHURCH... HEAR GOD'S WORD PREACHED

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

# Area Cotton Producers Being Urged to Protest Projected Yields to County ASCS Officials by RPCG

By Tex Rogers  
Stamford American

Stamford — Dissatisfied Rolling Plains cotton producers affected by a recent U. S. Department of Agriculture ruling which would penalize farmers for certain skip-row planting in the past, and greatly effects the 1967 projected yield, can have an opportunity of voicing their individual opinion of the USDA decision through means of appeal for a fair projected yield.

"Farmers across the Rolling Plains who feel their 1967 projected yield is not what it should be, or think they are not receiving the pounds they are entitled to may appeal to their county ASCS committee," said Charles Stenholm, executive vice president of the Rolling Plains Cotton Growers, Inc.

This possible solution of the highly controversial ruling which has been increasing in interest and opposition during the past few weeks came out of a meeting of 125 cotton farmers and ASCS personnel from 15 counties of the Rolling Plains Thursday night in Stamford. The meeting which was called by the Rolling Plains Cotton Growers, Inc. was to determine the feelings of the farmers as to what action should be taken concerning the ruling which will mean a loss of up to 4 million dollars in the Rolling Plains.

Also attending the meeting were Frank Moore of Plainview and James E. Goad of Rosebud, both State ASCS committee members, Lewis Davis, State executive ASCS director, and W. M. Holt, State program specialist.

"Although tempers flared and feelings ran high during the meeting, several routes to take were brought out into the open," Stenholm said. But a lot of major unanswered questions still remain.

"Where are the pounds of cotton the Rolling Plains lost?

Has the State of Texas received its fair and equitable projected yield? How is the projected yield for Texas derived by the USDA?

"These are questions that none has been capable of answering, thus far," Stenholm said. "But they must be answered and soon."

"Feelings of the Rolling Plains farmers were strong last year in their protest of the change of the skip-row regulations which was forced on the Rolling Plains farmers in 1966," said Mr. Stenholm. "However, when you compare a farmer's reaction now when he fully understands that cotton he produced by skip-row planting in 1962-65 under a no-penalty system is now being penalized, that farmer is hopping mad."

The USDA ruling says that the skip-row penalty would be retroactive for 2-1 and 2-2 cotton planted in 1962-63-64-65. Projected USDA cotton yields in Texas for 1967 takes in the retroactive penalty for skip-row planting. Consequently, projected yields in skip-row areas are considerably lower than they should be.

"The penalty, combined with a lower projected yield, would mean a loss of some million dollars to the economy of the Rolling Plains. Beginning in 1966, Rolling Plains farmers have changed to a 2-4 system of planting, which is a no-penalty system," said Stenholm. "But from 1962-65, farmers who planted under a 2-1 and 2-2 system were also planting under a no-penalty system. Now the USDA wants to change the rules in the middle of the game."

"Whenever a rule is written that has the effect of saying a stalk of cotton that makes 10 bolls in 1962 is now only entitled to 7.7 bolls in 1967, that rule severely discriminates against an area that certainly does not deserve such an inequity. That Ruling should be removed. This is the heart of the protest."

A report of the meeting in Stamford is to be forwarded to the USDA in Washington by the ASCS committee who attended. However, communications in the past with the USDA have indicated the ruling will not be changed.

"The USDA and the State ASCS committee has admitted there has been an inequity placed on the Rolling Plains farmers but neither group indicates they will correct the situation. Now it is up to the farmers themselves to get the job done. This can be accomplished by immediate action in the form of protests from the individual farmers through their local ASCS committee requesting that their farms receive a fair and equitable projected yield," Stenholm said.

"Forms and information will be available at each ASCS office in the 32 counties of the Rolling Plains but the RPCG urges that each farmer write his own appeal. It may take more time but the appeal will be much more effective," said Mr. Stenholm.

"In the meantime, the Rolling Plains Cotton Growers and others will continue to work towards correcting the inequity," he said. "But there are also about 15,000 farmers in the 32 counties that were affected by this ruling that can work for its removal by voicing their concern in the form of an appeal."

### Local Band Invited To March In Stock Show Parade

Fort Worth — Hamlin High School Band has been invited to march in the Opening Day Western Parade of the 1967 Southwestern Exposition and Fat Stock Show, January 27.

Parade Chairman and Stock Show Vice President Tom B. Saunders reports the parade will begin its two hour trip through downtown Fort Worth at 2 p. m. on Friday, January 27.

Spectators lining Fort Worth streets for the Stock Show Parade usually number well over 100,000. In addition paraders are viewed by thousands more over area television.

Gates on the 1967 exposition will swing open at 4 p. m. and the first performance of the Fort Worth Rodeo will start at 8 p. m. on January 27. Final performance of the 1967 Rodeo will begin at 8 p. m. on February 5.

Yes, you have guessed it, the farmers are very busy getting their cotton in, and I suspect they are right as the weather can change here in the tick of a clock. Right now the sun is shining but may be cold and rainy by noon.

Mrs. Artie Smith and Mrs. Landon Perkins are returning today from visiting their daughters. Mrs. Smith's daughter, Wanda, lives in Dallas and Mrs. Perkin's daughter, Doris, lives in Irving.

Visiting in the home of Mrs. John Edwards on Sunday were Mr. and Mrs. E. L. Edwards of O'Donnell and Mr. and Mrs. Carl Jackson, Mr. and Mrs. Henry Edwards of Wichita Falls. Later in the afternoon Mrs. Ezell Whitten visited with her.

Mrs. Ruth Brown and Mrs. Alba Foreteller of Roby attended a Postal meeting in Abilene on Wednesday to learn how to handle the Christmas mail, you're right it is only a few days until Santa will come again. What happened to this past year? Mrs. Brown is our Postmaster here in Sylvester, just be careful when you post your letters that they fall in the right slot, we are just as up town as any big office!

I reported last week that Mrs. Neda Kiser had entered Hendrick Hospital for surgery. She did go for tests but it was not necessary for her to stay at this time.

Mrs. Paul Stephens spent a couple of nights in the Stamford Hospital with her son, Craig, but reports he is doing nicely.

Mr. Med Herron was really proud the other morning when I saw him in town. His grandson, Mike, Monk's son, had won Grand Champion with his Angus again at Sweetwater at the Fair. He also won at the West Texas Fair in Abilene, so I just guess we are all proud of him.

Mr. and Mrs. Glendon Early have moved from Hamlin to San Angelo where Glendon will be working.

Don't forget folks it is time to get those packages in the mail for the boys overseas, I am sure they will enjoy having a letter or package from the people they know and are fighting for.

Mrs. Waldo Gatewood spent several days in Dallas with her mother who has been quite ill, but is better at this time.

# Phone Company War On Crank, Obscene Calls Shows Progress

Annoying, obscene and crank telephone calls have declined almost 50 per cent in North Texas since Southwestern Bell Telephone Company declared war on annoying callers in mid-June.

Mike McCoy for Southwestern Bell, said that new call tracing devices have been a major factor in the decline.

The devices — the polarity trap and the line identification detector — are installed in dial switching mechanisms when customers are taunted with silence, threats or obscenities over the telephone. The electronic devices keep the crank caller's line open while the party's number can be positively identified.

He also cited the cooperation between local police officials, telephone technicians and harasses customers as another important factor in apprehending annoying callers.

Mike McCoy noted that more than 25 persons in North

Weekend guests in the Jim Lanning home were Mrs. Lanning's brother and family, Mr. and Mrs. Johnnie W. Coskey and son, Bill. They plan to visit their daughter that is in Baylor University at Waco on their return home to Houston.

# Pipers Fall to Anson Tigers, 28-13, In Battle Down to Final Minute

The Anson Tigers, preseason favorites to win District 5-AA, scored in three quarters Friday night to stop the Piper's efforts to stage an upset victory. The Pipers stayed within range of the Tigers until the final minute of the game but could not quite catch up as they lost 28-13.

Three of the four Anson touchdowns came the easy way with the Tigers recovering a fumble on the Piper six, returning a partially blocked punt 3 yards for a score and taking over on downs at the Hamlin nine in the waning seconds of the game.

Sammy Ferguson returned

a second period kickoff back 98 yards for the first Hamlin score and Philip Simpson climaxed a 74 yard drive with a 15 yard scoring effort over right tackle in the third period.

Simpson was the top ground gainer of the night with 130 yards in 26 carries and Tommy Adkins was high for Anson with 126 yards in 25 carries.

The Piper defense held the highly heralded Tiger passing attack to one completion in six attempts with one interception.

Following the opening kickoff, the two teams exchanged punts for most of the first quarter before the Tigers man-

aged to deflect Milton Davis' punt from his own 12 yard line with Randy Langerhans picking up the ball on the Hamlin 30 and racing in for the first score. The extra point try failed.

The Pipers took over on their own 20 following the kickoff and drove down to the Anson 11 with Simpson setting up a first down at this point with a 40 yard carry. But from there the Tiger defense stiffened and Simpson was thrown for a four yard loss, Clifton's pass fell incomplete and then he was thrown for a six yard loss trying to pass. Clifton connected with Joe Adams on fourth down for a 10 yard gain to the eight.

The two teams exchanged punts again with Anson operating from their own 35. They drove down to the Hamlin 21 from where Eddie Andrus kicked his first field goal of the year, a 37 yarder.

Ferguson dropped the kickoff and picked it up on his two yard line. Getting a block from Simpson, Ferguson raced up the right sideline for 98 yards and the score. Doug Carlton kicked the point after and the Pipers trailed by only two points.

After the kickoff the Tigers engineered their only long scoring drive of the night as they drove 85 yards in 10 plays for the score. Again their extra point try failed and the Pipers trailed 7-15

with 39 seconds left in the first half.

The Pipers opened up the second half with a 74 yard scoring drive that went the distance in seven plays. Clifton passed to Ferguson for gains of 16 and 38 yards and Simpson gained 23 yards on the ground in four plays including the final 15 for the score. Ferguson tried to add two points but was stopped short.

With the Pipers trailing by only two points the two teams battled out the remainder of the third period before Hamlin fumbled on the first play of the fourth quarter with the Anson recovering on the Pipers six.

Adkins hit right tackle for the six yards and the score to widen the Tigers margin to an eight point lead.

The Pipers drove back down to the Tiger 36, where, facing fourth and four they tried a fake punt with Simpson missing the handoff from Davis and being thrown for a 13 yard loss.

The Tigers drove down to the Piper two before they gave up the ball on downs. The Tigers gained eight yards in four carries as the Piper defense held.

With only a minute left on the clock the Pipers picked up nine yards in three plays and gambled for the first down only to have Simpson stack up in the line for no gain.

The Tigers took over on the line and Adkins went in for the final tally. Andrus kicked his only extra point of the night to give the Tigers 15 point lead with 33 seconds left on the clock.

The Tigers intercepted the first pass after the kickoff to end the game.

## Student Council Gets Top Office In District In First Campaign

By Helen Moore  
Tommy Oliver  
Beth Craig

Congratulations, Student Council, on your election as President School of the Oil Belt District!

Members left here Saturday morning to attend the Sixteenth Annual Meeting of the district at Abilene High, seeking the office of vice president. Due to a fortunate coincidence, however, the Council ran for the presidency, instead.

Finding that Hamlin and Ranger were running for the vice-presidency and no school was running for the presidency, the sponsors had a hurried conference. Their decision was that both schools would run for the presidency with the understanding that the winner would nominate the other school for the vice-presidency.

Needless to say, Hamlin was elected president with Ranger elected as vice president. Winters was elected secretary treasurer and Abilene Christian High was elected parliamentarian.

This is the first time for Hamlin to hold a district office in the Oil Belt District of Student Councils, and it can truly be said that the Student Council has moved Hamlin High up another rung on the ladder of success.

The Anson Tigers upset the Pipers Friday night by a score of 28 to 13. Yet, we can be sure that the Pipers weren't the only team upset as our boys played Anson a rough'n tough game.

The Pipers will meet the Stamford Bulldogs at Stamford this Friday. Our slogan for the week is sure to be: "Stop the Bulldogs!" We're proud to say that we're still behind our team and are looking for a victory Friday night!

Our welcome this week is sent out to Darell Wilkins and Tommy King, Darell, a sophomore, is the son of Mrs. Ruby J. Carter. His older brother, Bobby, is a senior this year. He works at the Little Dandy Drive-In, and one of his hobbies is to play the guitar.

Tommy, a freshman, attended the Anson Elementary School last year. He was born in Eugene, Oregon. We are certainly proud to have Darell and Tommy in our school this year!

## NEWS AND VIEWS . . .

## And What Have You

By BOB CRAIG

With deer season opening over most of the state this Saturday we are passing along this description of the model deer hunter-sportsman prepared by the Texas Parks and Wildlife Department.

He makes supreme safety a top target;

He is never careless with fire in any form, afield or in camp;

He is considerate of the land owner at all times, meticulously closing gates, never firing toward buildings or livestock;

He practices conservation even to painstakingly dressing his kill and protecting the meat;

He makes certain that his deer is properly tagged;

He leaves a forwarding address to spare authorities in the hunting country from trying to locate him during home emergencies;

He is particularly alert about NOT littering someone else's property with bottles, cans, paper or other debris;

He practices good sportsmanship and does NOT try to claim another's kill;

He shares his hunting privileges with his boy and, all things being equal, with his wife;

He never inspects, much less demonstrates, another's gun unless permitted to do so;

He faithfully makes a maximum effort to retrieve a wounded deer;

He carries adequate emergency equipment and supplies for first aid or for tiding over in the event of becoming lost;

He chooses his hunting companions carefully, for the protection of all;

He never permits his loud nighttime carousing to disturb companions bent on hunting daytime rather than on nocturnal nonsense;

He always remembers that Department field personnel are there primarily to help him as well as future generations enjoy a great sport.

We receive a little publication each month called "Cheer" that contains a mixture of humor, philosophy, and just bits of brief information. The following two articles are taken from an issue of this magazine.

"Many great inventions have been made by individuals who were able to see the relationship between something casually observed and something they were trying deliberately to do. Whether or not these legends are true, there is an element of truth in all of them.

"Eli Whitney was struggling with the problem of an easier way to get the seeds out of the cotton boll than by hand picking. Looking out a window he saw a fox trying to get his dinner out of a chicken coop in the yard. The fox clawed at the wire and pulled out plenty of feathers but no chicken.

"Whitney saw the beginning of the answer to his problem — a claw or rake that would pull the cotton fibers through a grid and leave the seeds behind."

"The absent minded professor is not the product of any anti-intellectual era. He is as old as humor itself. The source of the following story in the "New York Times Magazine" is an old Greek joke book:

"A barber, a bald-headed man and a professor were traveling together. They had to sleep one night in a lonely area and agreed that they would take turns guarding their possessions.

"The barber took the first watch. Wishing to play a joke, he shaved the professor's head while he slept. When the barber's watch was over, he awakened the professor.

The professor, rubbing his head as he awoke, discovered that it was bare. "Why that scoundrel," he exclaimed, "He awakened the bald-headed man instead of me."

## San Antonio Securities Firm Low Bidder On High School Bonds

The new high school building for Hamlin came one step nearer Monday night as the Board of Trustees voted to accept the bid on the \$750,000.00 bonds of Columbia Securities Corp. of San Antonio for an average interest rate of 4.79462 percent.

Before the sale can become final the bond must be offered to the State Board of Education, which has the privilege of buying the bonds at this rate of interest. Following this, the Texas Attorney General must approve the bonds and they will then be printed and signed.

Supt. C. F. Cook said Wednesday that he expected the

school to receive the money for the building about Dec. 15. The board plans to invest the money in short term bonds until it is needed to pay the building contractors.

At this time, no estimate has been made as to when bids will be let but with the selling of the bonds the architects can complete the plans and get ready for the bidding.

Four firms entered bids on the bonds with the high bid coming to 4.912905 percent. This was Rauscher-Pierce Securities Corp. of Dallas. Other bidders were First Southwest Investments of Abilene, 4.816211 percent; and Rawles-Winston and Co. of Houston, 4.8213186 percent.

## Jayne Turner Named FFA Sweetheart

Jayne Turner was revealed as the 1966-67 Chapter Sweetheart of the Hamlin FFA Chapter at the pep rally last Friday. Jayne is an HHS junior and the daughter of Mr. and Mrs. J. C. Turner.

She is an active member of the Future Homemakers of America, the Band and Stageband, the Library Club and the Spanish Club.

She has been Piper Queen nominee two years and Carnival Queen nominee one year. She was class reporter and class favorite her freshman year. Last year she was class secretary and she received Rotary Club Award for being the most outstanding sophomore girl. This year Jayne is junior class reporter.

Jayne will represent the Hamlin FFA Chapter in the Stamford District FFA Sweetheart contest next spring and in the Jones County Cotton Queen Contest and the West Texas Fair Sweetheart Contest next fall.

She will serve as official hostess for the 1966 Stamford District FFA Leadership Contests next Wednesday. The Contests are being hosted by the Hamlin FFA Chapter.

## Meeting Set In Stamford Monday Night On Area Junior College

A meeting on tap at 7:30 p. m. in the new Stamford High School Auditorium indicates an acceleration of activities in establishing a junior college in this area. Mrs. Luther Burkett of Haskell chairman of a five-county steering committee, announced.

Purpose of the meeting will be to present the area junior college program to the citizens of Jones county. Since the project was launched to establish a junior college, Jones county has been added, making it a five-county area now composed of Haskell, Stone-wall, Throckmorton, Knox and Jones.

The petition for a junior college has been presented to the State Coordinating Board of Colleges and Universities and referred to the research committee, and after study of the program for this area, the committee recommended that Jones county be added. A survey of the five-county area reveals enough scholastics to create an area junior college.

"The meeting Monday night will be open to everyone," Mrs. Burkett said.

## Grandfather Dies

## Tower Carries Local Boxes In Close Senate Contest

Less than 500 cast votes here in Tuesday's general election which saw the only contested race, that of U. S. Senator, go to the incumbent, Republican John Tower, in a close race with Democrat Waggoner Carr. Carr carried Jones County by 84 votes.

Locally, John Barnett was elected to Justice of the Peace, Precinct 5, with 37 write-in votes. J. B. Eakens received eight votes, also write-ins.

Statewide totals, still incomplete Wednesday afternoon, were Tower, 746,440; Carr, 572,071; for Governor, John Connally, 887,286; T. E. Kennerly, 319,714.

The county total for Connally was 1543 to Kennerly's 342.

All 16 amendments to the constitution were approved by Hamlin and Jones County voters but across the state, number four was defeated.

At the Hamlin West Box 367 votes were polled. Miss Lennie Greenway was election judge. In the East Box 123

votes were cast. Tom Routh was judge.

### LOCAL VOTING ON MAJOR CANDIDATES

## Services Held Here For J. W. Campbell

Services were held here Saturday at 10 a. m. for James Wallace (Uncle) Campbell, 77, of Abilene. A retired glimmer, he died at 3 p. m. Thursday in Abilene.

He was born Feb. 16, 1889, in Abilene. He was the son of the late Rev. and Mrs. John Campbell. He was a Methodist.

Services were held at Central Avenue Baptist Church with Rev. Weldon Counts, pastor of Foursquare Gospel Church officiating.

Burial was in Hamlin East Cemetery.

Survivors are a brother, Robert H. of Abilene; two sisters, Mrs. Kate Boyer of Abilene and Mrs. Mary Price of El Paso.

Nephews were pallbearers.

## Burns Fatal to Freddy Kay, Fund Started

Freddy Kay, 16-month-old twin son of Mr. and Mrs. Billy Kay, died about 11 a. m. Sunday in Hendrick Memorial Hospital in Abilene. The child had suffered third degree burns in a hot water accident in his home on Rotan Highway on Oct. 24.

He was burned over some 75 per cent of his body, from the chest downward.

The child was given a series of blood transfusions. It was expected that he would improve to undergo plastic surgery in about three weeks.

Funeral services were held Monday in Marlin where Mr. Kay's parents live.

Survivors include the parents, five brothers and sisters, Kenny, 8, Linda, 7, Betty, 5, Lois, 4, and his twin, Eddy. The child's mother, the former Evelyn Joyce Helms, attended high school here. Her mother, Mrs. Homer Helms, and a sister, Mrs. J. D. Shelton, cared for the older children while the parents were in Abilene.

The couple moved here a year ago. He is a mechanic at Helm's Garage.

A fund was started last week to aid the family with expenses following the accident. Rev. Weldon Counts, pastor of the Foursquare Gospel Church, is the administrator.

The fund will now be the Freddy Kay Memorial Fund.

Contributions to the memorial fund may be made at the Farmers and Merchants National Bank or to Rev. Counts.

### BAKE SALE

The Business and Professional Women's Club will have a Bake Sale Saturday in front of the Farmers and Merchants National Bank.

## Pipers Can Play Giant Killer Friday

## Hillie McCanlies Fund Tops \$350

Contributions to the Hillie McCanlies Fund through Tuesday morning bring the total amount to \$352.

Donations since last week were made by John Scarborough, Bob Barrow, A. B. Carlton, Mrs. Dave Herbst and H. R. Daniels.

The fund was started by friends to assist the family with the mounting expenses of Mr. McCanlies' illness. He is convalescing at home following surgery in Galveston at John Sealy Hospital. He will have return there for periodic check ups.

top in District 5-AA with a 3-0-1 record, but a win by the Pipers would put the winner of the Anson-Winters game in the playoffs with a 4-1 record.

The Pipers came out of their hard fought 28-13 loss to Anson Friday night in good physical shape. Coach Joe Youngblood reported this week that his boys are in the best shape they have been in all year with every boy able to play.

The Bulldogs, who are 5-1-2 for the season, are rated a

### BRIDGE WINNERS

Dale Lain and Jack Russell were first in the Regular Fractional Master Point Session Tuesday evening at the Oil Mill Guest House.

Second place went to Mrs. Dorothy Flowers and Stan Sutton, both of Abilene, and third place went to Mrs. W. O. Willbanks, and Mrs. Floyd Briscoe.

strong defensive group having given up only 71 points while scoring 95. The Stamford offense is basically a ground attack, having gained 1,457 yards on the ground for a game average of 179.6 yards.

The Bulldogs have completed only 14 passes in 42 attempts for 115 yards during the season.

Operating at quarterback for Stamford most of the time will be Jack Harkins who has gained 119 yards in 67 carries and has passed 34 times, completing 12 for 89 yards.

Top ground gainer for the Bulldogs is Mike Matthews with 540 yards in 107 carries for a 5-yard average. Van Grimes has gained 364 yards in 74 carries and Raymond Cedillo has picked up 339 yards in 82 trips.

Top lineman for the Bulldogs, both on offense and defense, is Joey Lawson who is

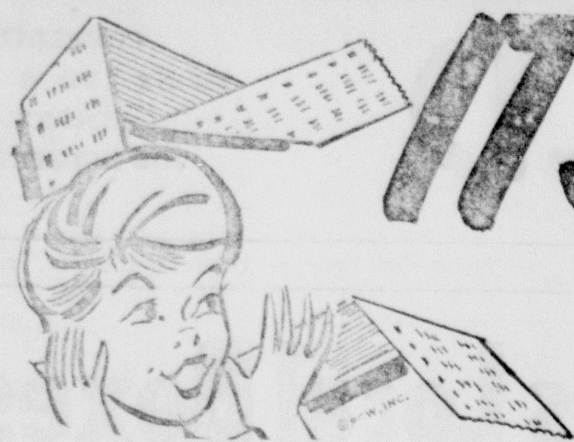

rated by many as an All-State candidate. Lawson has also kicked seven extra points this season and one field goal.

The Hamlin teams will see action on three fields tonight (Thursday) as the Freshmen host the Roscoe B Team here at 7:30, the B Team will travel to Haskell for a 7:30 game and the Eighth grade will be playing Stamford in Bulldog Stadium at 7:30.

## Stonewall County 4-H Awards Meet Set Monday Night

The ninth annual Stonewall County 4-H Banquet will be held in the Aspermont School Cafeteria on Monday, Nov. 14 at 7 p. m. The event is honoring the most outstanding 4-Hers this past year. ## Look what's happening at Mercury!

**Untamed elegance!  
America's first  
luxury sports car  
at a popular price.**

This is the day of the Cougar. An entirely new kind of driving machine from Mercury.

Mercury Cougar is a true luxury car. With an ice-cool elegance. With a European flair and thrust to its styling. With a roomy, full-width rear seat! With standard features found, until now, only in expensive cars. Examples:

Sequential rear turn signals are standard! They flash in three steps (at the rate of 70 times a minute) to point the way you're turning.

Concealed headlamps are standard! They hide by day and, cat-like, open at night. Inside, vinyl-covered bucket seats, cushioned with molded foam, are standard! Wall-to-wall deep-loop carpeting, standard! 3-spoke steering wheel, standard!

And in a car this luxurious, you'd expect a V-8 engine. Cougar has it. A 289

cu. in. V-8. Compression ratio: 9.3:1. And it uses regular fuel.

When we say Mercury unleashes Cougar, we mean it. Cougar is a superb sports car. It moves on cat feet. Tracks true. Rides smoother, quieter.

The price! Less than you'd

expect. At previews, people have overgassed by \$1,000! We believe Cougar is the best-equipped luxury sports car for the money.

And at Cougar's price, you can indulge yourself in such better-idea options as:

Stylish steel wheels, 4-speed

stick or "Mr. and Mrs." Select-Shift Merc-O-Matic that lets a man run it through the gears... lets his wife leave it in automatic. Also a 4-barrel Marauder 390 GT V-8. Vinyl-covered Oxford Roof. Sports Console.

Also: Tilt-Away steering wheel. Power disc-brakes up front. A finger-tip speed control mounted on the turn signal lever. But first: See Mercury Cougar. Untamed elegance. At your Mercury Man's, your Mercury dealer's.

Cougar excitement runs through the whole Mercury line. See all 28 models. See your Mercury dealer listed at right.

## OLD GLORY NEWS...

By Judy White  
Ten members of the Old Glory Variety Club entertained their husbands last Friday night in the banquet room at Frazier's Cafe in Aspermont with the annual Thanksgiving turkey supper. Mrs. Adele Dudensing was a guest of Mrs. Katie Gerloff.  
Later the group enjoyed games of 84 and bridge.

Mrs. Jack Doty of Denver, Colo. was here last week visiting in the home of her mother, Mrs. W. G. Wienke. Another of Mrs. Wienke's daughters and her husband, Mr. and Mrs. J. G. Pope of Hempstead came last Sunday to spend a few days visiting with Mrs. Wienke.

Mrs. Carson Trotter of Wolfforth visited here last week with Mrs. Henry Schmidt. Mrs. Trotter and Mrs. Schmidt were old school friends and had not seen each other for 24 years. Mrs. Trotter is the former Lavelva Cauthen of Lueders.

Two people in the Old Glory community suffered injuries from accidents last weekend. Donna Bowler, daughter of Dr. and Mrs. Donald L. Bowler, received injuries in an automobile accident between Aspermont and Old Glory last Friday night. She is a patient in Hendrick Memorial Hospital in Abilene.

Leland Ashorn was injured when a tractor on which he was working last Sunday slipped into gear and started moving. The tractor ran over him, injuring an arm and shoulder. He is also in Abilene in Hendrick Memorial Hospital.

Mr. and Mrs. Eugene Gerloff of Lubbock were here last week end visiting his mother, Mrs. Katie Gerloff. Mrs. Gerloff returned home with them to spend a few days.

Mr. and Mrs. Otto Dudensing entertained with a 42 party on Tuesday night of last week. This was Mrs. Dudensing's birthday. Refreshments were served to Mr. and Mrs. Robert Dudensing, Mr. and Mrs. W. H. Vahlenkamp, Mrs. Henry Schmidt and Paul, Arthur Dudensing, Mrs. Hilda Koch, Mr. and Mrs. August Angerman, Mr. and Mrs. C. Bredthauer and Ernest, Mr. and Mrs. Rudolph Ramm, Mr. and Mrs. A. C. Ender and the host and hostess.

Mr. and Mrs. Wesley Tabb and children of Odessa were here last week end visiting her parents, Mr. and Mrs. Herbert Klump.

**BASKETBALL**  
The high school basketball teams split two games with Avoca last week. Tuesday night in the local gym Old Glory boys lost to Avoca, but the girls won their game. The same thing happened when the teams met in Avoca gym last Friday night.

FAIRVIEW NEWS...

By Mrs. Elmer Joiner  
This can hardly be called Fairview news this Monday morning, since I have not even seen Fairview in over a month and certainly do not know any news at this time. Having spent three additional weeks in the hospital, underwent surgery again for the second time since Aug. 25, it is understandable that I do not know very much of anything except hospital routine and trying to get well. I am thankful to say that I am on the road to recovery, having come home last Wednesday from the hospital.

Will have to be honest and say I am more willing than able to do anything and that includes pecking on a typewriter, but is very encouraging to be able to see an improvement each day, so it won't be too long before I am out searching for all of the news again.

From all reports the farmers are all busy harvesting the good crop they made this year, the killing freeze having happened last Tuesday night, being Nov. 1, a little early for one that killed everything the first time. Cotton that had been defoliated is being gathered and that which the freeze killed will soon be ready to go. It won't be too long now before it is all gathered if the pretty weather holds. The maize that was waiting for frost is also ready to combine so all of the men are either combining or stripping cotton and most of the women are hauling maize or cotton. Looks rather odd to see a great big trailer coming

down the road, pulled by a little pickup, driven by a woman. They tell me it is rather frightening until you learn the technique of it. Would be bad to turn one of the big things over loaded with more than one bale of cotton.

The bigger churches that lose their pastor have a custom of getting an interim pastor while finding a permanent one, so our church is doing that at the present. Rev. D. P. Pattillo, of Abilene, has been gracious enough to come each Sunday to preach for us, until we can see what we can do and also until he can see what he could do if we should call him for pastor. Having met him yesterday for the first time, I was very favorably impressed by his nice personality and think we would be blessed if he could see his way clear to pastor our little church.

Little Melody Holmes spent several days last week with her grandparents, while her parents, Mr. and Mrs. Jimmy Holmes, Big Spring, attended a teachers convention. Also visiting with her was Keanan Wright, grandson from Abilene. Melody reported that her mother and daddy had gone to a big party.

Rev. Pattillo and family spent Sunday as luncheon guests of the Woodrow Goodwins.

Mr. and Mrs. Roy Taylor came by last Friday, enroute home, which is near Muleshoe, from their cabin on Hubbard Creek Lake, having spent three weeks down there. Mr. Taylor is thrilled to death that it has rained enough for his boat dock to float at last, although the fish haven't gathered around very much yet. He told of putting out some bread trying to attract some fish and finding four pretty ducks having a feast. At least they can sit and fish from the dock, catching a few small ones, dreaming of what will be there some day. It has all come a long way since they went down there and built a cabin on a dry creek, several miles from any water.

Mr. and Mrs. Henry's nephew who has been in Abilene Hospital several weeks, is still in serious condition.

Mr. and Mrs. Winslow Gray

visited his parents in Anson Sunday afternoon. Mr. Gray was just recently discharged from the Anson Hospital again.

Was a great thrill to me Sunday night when I tuned in to the Stamford radio at seven o'clock, when the First Baptist Church came on the air, that the first thing they did was have baptismal rites for our little grandson, Ronald Joiner. Was all so plain that you felt you were there, instead of in a sick bed.

Once again I wish to take this chance to thank all of those that have been so nice to send me so many cards, letters, and many visits since I have been ill. It is so wonderful to have a good hospital, in your own home town, where you can be among friends, and even the nurses are mostly old acquaintances. They all were so nice that you can call them friends after spending three weeks with them. We should all be so thankful for our hospital and our doctors, as I said we do not have to leave home like so many of the people that you meet that do not have what we do in our town. Let us tell them how we appreciate them.

Sgt. James Brown Now In Vietnam

Vietnam — Army Sergeant James A. Brown, son of Mrs. Lizzie Brown, Hamlin, is a member of the 543rd Transportation Company which arrived in Vietnam Oct. 17.

He is an assistant platoon sergeant in the 543rd which was last stationed at Ft. Campbell, Ky. The unit is now part of the 1st Logistical Command.

Sgt. Brown, son of Clifton Brown, 844 34th St., Oakland, Calif., entered the Army in July 1948.

Sgt. Brown, whose wife, Vinita, lives at 323 Carver St., Odessa, Tex., attended DePriest High School and completed his high school education through the General Educational Development Test.

Shandra Joye is the new daughter of Mr. and Mrs. James Clayton Perry of Swenson. She weighed 7 lbs. 9 oz. and was born Nov. 2 at 3:47 a.m.

Mrs. and Mrs. Floyd Mill-sap of Abilene are parents of a boy, Joseph Edward, born Nov. 6 at 9:07 p.m., weighing 9 lbs. 14 oz.

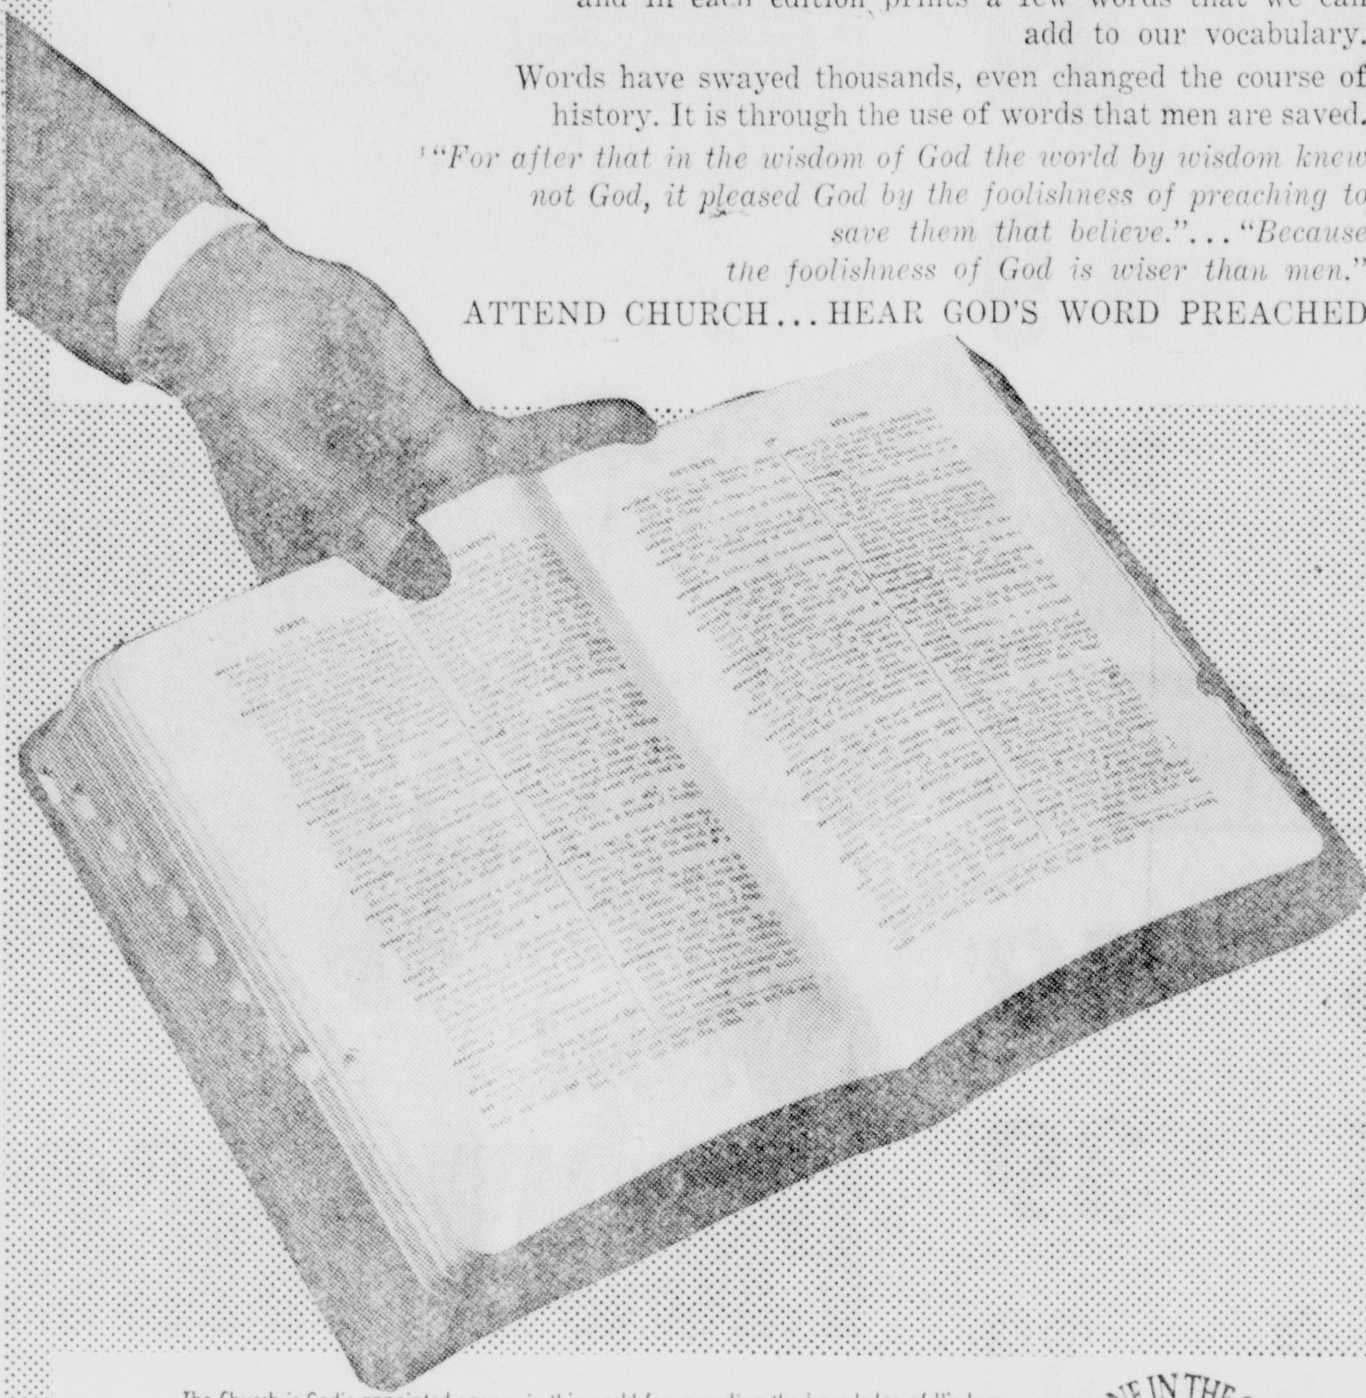

WORD POWER!

One of our popular publications, encourages the learning of new words, and in each edition prints a few words that we can add to our vocabulary.

Words have swayed thousands, even changed the course of history. It is through the use of words that men are saved.

"For after that in the wisdom of God the world by wisdom knew not God, it pleased God by the foolishness of preaching to save them that believe."... "Because the foolishness of God is wiser than men."

ATTEND CHURCH... HEAR GOD'S WORD PREACHED

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

# Area Cotton Producers Being Urged to Protest Projected Yields to County ASCS Officials by RPCG

By Tex Rogers  
Stamford American

Dissatisfied Rolling Plains cotton producers affected by a recent U. S. Department of Agriculture ruling which would penalize farmers for certain skip-row planting in the past, and greatly effects the 1967 projected yield, can have an opportunity of voicing their individual opinion of the USDA decision through means of appeal for a fair projected yield.

"Farmers across the Rolling Plains who feel their 1967 projected yield is not what it should be, or think they are not receiving the pounds they are entitled to may appeal to their county ASCS committee," said Charles Stenholm, executive vice president of the Rolling Plains Cotton Growers, Inc.

This possible solution of the highly controversial ruling which has been increasing in interest and opposition during the past few weeks came out of a meeting of 125 cotton farmers and ASCS personnel from 15 counties of the Rolling Plains Thursday night in Stamford. The meeting which was called by the Rolling Plains Cotton Growers, Inc. was to determine the feelings of the farmers as to what action should be taken concerning the ruling which will mean a loss of up to 4 million dollars in the Rolling Plains.

Also attending the meeting were Frank Moore of Plainview and James E. Goad of Rosebud, both State ASCS committee members, Lewis Davis, State executive ASCS director, and W. M. Holt, State program specialist.

"Although tempers flared and feelings ran high during the meeting, several routes to take were brought out into the open," Stenholm said. But a lot of major unanswered questions still remain.

"Where are the pounds of cotton the Rolling Plains lost?

Has the State of Texas received its fair and equitable projected yield? How is the projected yield for Texas derived by the USDA?

"These are questions that none has been capable of answering, thus far," Stenholm said. "But they must be answered and soon."

"Feelings of the Rolling Plains farmers were strong last year in their protest of the change of the skip-row regulations which was forced on the Rolling Plains farmers in 1966," said Mr. Stenholm. "However, when you compare a farmer's reaction now when he fully understands that cotton he produced by skip-row planting in 1962-65 under a no-penalty system is now being penalized, that farmer is hopping mad."

The USDA ruling says that the skip-row penalty would be retroactive for 2-1 and 2-2 cotton planted in 1962-63-64-65. Projected USDA cotton yields in Texas for 1967 takes in the retroactive penalty for skip-row planting. Consequently, projected yields in skip-row areas are considerably lower than they should be.

"The penalty, combined with a lower projected yield, would mean a loss of some million dollars to the economy of the Rolling Plains. Beginning in 1966, Rolling Plains farmers have changed to a 2-4 system of planting, which is a no-penalty system," said Stenholm. "But from 1962-65, farmers who planted under a 2-1 and 2-2 system were also planting under a no-penalty system. Now the USDA wants to change the rules in the middle of the game."

"Whenever a rule is written that has the effect of saying a stalk of cotton that makes 10 bolls in 1962 is now only entitled to 7.7 bolls in 1967, that rule severely discriminates against an area that certainly does not deserve such an inequity. That Ruling should be removed. This is the heart of the protest."

A report of the meeting in Stamford is to be forwarded to the USDA in Washington by the ASCS committee who attended. However, communications in the past with the USDA have indicated the ruling will not be changed.

"The USDA and the State ASCS committee has admitted there has been an inequity placed on the Rolling Plains farmers but neither group indicates they will correct the situation. Now it is up to the farmers themselves to get the job done. This can be accomplished by immediate action in the form of protests from the individual farmers through their local ASCS committee requesting that their farms receive a fair and equitable projected yield," Stenholm said.

"Forms and information will be available at each ASCS office in the 32 counties of the Rolling Plains but the RPCG urges that each farmer write his own appeal. It may take more time but the appeal will be much more effective," said Mr. Stenholm.

"In the meantime, the Rolling Plains Cotton Growers and others will continue to work towards correcting the inequity," he said. "But there are also about 15,000 farmers in the 32 counties that were affected by this ruling that can work for its removal by voicing their concern in the form of an appeal."

## Local Band Invited To March In Stock Show Parade

Fort Worth — Hamlin High School Band has been invited to march in the Opening Day Western Parade of the 1967 Southwestern Exposition and Fat Stock Show, January 27.

Parade Chairman and Stock Show Vice President Tom B. Saunders reports the parade will begin its two hour trip through downtown Fort Worth at 2 p. m. on Friday, January 27.

Spectators lining Fort Worth streets for the Stock Show Parade usually number well over 100,000. In addition paraders are viewed by thousands more over area television.

Gates on the 1967 exposition will swing open at 4 p. m. and the first performance of the Fort Worth Rodeo will start at 8 p. m. on January 27. Final performance of the 1967 Rodeo will begin at 8 p. m. on February 5.

## SYLVESTER NEWS...

By Mrs. R. M. Babb

Yes, you have guessed it, the farmers are very busy getting their cotton in, and I suspect they are right as the weather can change here in the tick of a clock. Right now the sun is shining but may be cold and rainy by noon.

Mrs. Artie Smith and Mrs. Landon Perkins are returning today from visiting their daughters. Mrs. Smith's daughter, Wanda, lives in Dallas and Mrs. Perkins' daughter, Doris, lives in Irving.

Visiting in the home of Mrs. John Edwards on Sunday were Mr. and Mrs. E. L. Edwards of O'Donnell and Mr. and Mrs. Carl Jackson, Mr. and Mrs. Henry Edwards of Wichita Falls. Later in the afternoon Mrs. Ezell Whitten visited with her.

Mrs. Ruth Brown and Mrs. Alba Forestell of Roby attended a Postal meeting in Abilene on Wednesday to learn how to handle the Christmas mail, you're right it is only a few days until Santa will come again. What happened to this past year? Mrs. Brown is our Postmaster here in Sylvester, just be careful when you post your letters that they fall in the right

slot, we are just as up town as any big office!

I reported last week that Mrs. Neda Kiser had entered Hendrick Hospital for surgery. She did go for tests but it was not necessary for her to stay at this time.

Mrs. Paul Stephens spent a couple of nights in the Stamford Hospital with her son, Craig, but reports he is doing nicely.

Mr. Med Herron was really proud the other morning when I saw him in town. His grandson, Mike, Monk's son, had won Grand Champion with his Angus again at Sweetwater at the Fair. He also won at the West Texas Fair in Abilene, so I just guess we are all proud of him.

Mr. and Mrs. Glendon Early have moved from Hamlin to San Angelo where Glendon will be working.

Don't forget folks it is time to get those packages in the mail for the boys overseas, I am sure they will enjoy having a letter or package from the people they know and are fighting for.

Mrs. Waldo Gatewood spent several days in Dallas with her mother who has been quite ill, but is better at this time.

## Phone Company War On Crank, Obscene Calls Shows Progress

Annoying, obscene and crank telephone calls have declined almost 50 per cent in North Texas since Southwestern Bell Telephone Company declared war on annoying callers in mid-June.

Mike McCoy for Southwestern Bell, said that new call tracing devices have been a major factor in the decline.

The devices — the polarity trap and the line identification detector — are installed in dial switching mechanisms when customers are taunted with silence, threats or obscenities over the telephone. The electronic devices keep the crank caller's line open while the party's number can be positively identified.

He also cited the cooperation between local police officials, telephone technicians and harasses customers as another important factor in apprehending annoying callers.

Mike McCoy noted that more than 25 persons in North

Weekend guests in the Jim Lanning home were Mrs. Lanning's brother and family, Mr. and Mrs. Johnnie W. Coskey and son, Bill. They plan to visit their daughter that is in Baylor University at Waco on their return home to Houston.

Texas alone have been arrested since the company began its campaign against nuisance callers.

He pointed out that under Texas law, it is a misdemeanor for a person to use vulgar, profane or obscene language over the telephone.

# Pipers Fall to Anson Tigers, 28-13, In Battle Down to Final Minute

The Anson Tigers, preseason favorites to win District 5-AA, scored in three quarters Friday night to stop the Piper defense. The Pipers stayed within range of the Tigers until the final minute of the game but could not quite catch up as they lost 28-13.

Three of the four Anson touchdowns came the easy way with the Tigers recovering a fumble on the Piper six, returning a partially blocked punt 3 yards for a score and taking over on downs at the Hamlin nine in the waning seconds of the game.

Sammy Ferguson returned

a second period kickoff back 98 yards for the first Hamlin score and Philip Simpson climaxed a 74 yard drive with a 15 yard scoring effort over right tackle in the third period.

Simpson was the top ground gainer of the night with 130 yards in 26 carries and Tommy Adkins was high for Anson with 126 yards in 25 carries.

The Piper defense held the highly heralded Tiger passing attack to one completion in six attempts with one interception.

Following the opening kickoff, the two teams exchanged punts for most of the first quarter before the Tigers man-

aged to deflect Milton Davis' punt from his own 12 yard line with Randy Langerhans picking up the ball on the Hamlin 30 and racing in for the first score. The extra point try failed.

The Pipers took over on their own 20 following the kickoff and drove down to the Anson 11 with Simpson setting up a first down at this point with a 40 yard carry. But from there the Tiger defense stiffened and Simpson was thrown for a four yard loss, Clifton's pass fell incomplete and then he was thrown for a six yard loss trying to pass. Clifton connected with Joe Adams on fourth down for a 10 yard gain to the eight.

The two teams exchanged punts again with Anson operating from their own 35. They drove down to the Hamlin 21 from where Eddie Andrus kicked his first field goal of the year, a 37 yarder.

Ferguson dropped the kickoff and picked it up on his two yard line. Getting a block from Simpson, Ferguson raced up the right sideline for 98 yards and the score. Doug Carlton kicked the point after and the Pipers trailed by only two points.

After the kickoff the Tigers engineered their only long scoring drive of the night as they drove 85 yards in 10 plays for the score. Again their extra point try failed and the Pipers trailed 7-15.

with 39 seconds left in the first half.

The Pipers opened up the second half with a 74 yard scoring drive that went the distance in seven plays. Clifton passed to Ferguson for gains of 16 and 38 yards and Simpson gained 23 yards on the ground in four plays including the final 15 for the score. Ferguson tried to add two points but was stopped short.

With the Pipers trailing by only two points the two teams battled out the remainder of the third period before Hamlin fumbled on the first play of the fourth quarter with the Anson recovering on the Pipers six.

Adkins hit right tackle for the six yards and the score to widen the Tigers margin to an eight point lead.

The Pipers drove back down to the Tiger 36, where, facing fourth and four they tried a fake punt with Simpson missing the handoff from Davis and being thrown for a 13 yard loss.

The Tigers drove down to the Piper two before they gave up the ball on downs. The Tigers gained eight yards in four carries as the Piper defense held.

With only a minute left on the clock the Pipers picked up nine yards in three plays and gambled for the first down only to have Simpson stack up in the line for no gain.

The Tigers took over on the line and Adkins went in for the final tally. Andrus kicked his only extra point of the night to give the Tigers 15 point lead with 33 seconds left on the clock.

The Tigers intercepted the first pass after the kickoff to end the game.

## Student Council Gets Top Office In District In First Campaign

By Helen Moore

Congratulations, Student Council, on your election as President School of the Oil Belt District!

Members left here Saturday morning to attend the Sixteenth Annual Meeting of the district at Abilene High, seeking the office of vice president. Due to a fortunate coincidence, however, the Council ran for the presidency, instead.

Finding that Hamlin and Ranger were running for the vice-presidency and no school was running for the presidency, the sponsors had a hurried conference. Their decision was that both schools would run for the presidency with the understanding that the winner would nominate the other school for the vice-presidency.

Needless to say, Hamlin was elected president with Ranger elected as vice president. Winters was elected secretary treasurer and Abilene Christian High was elected parliamentarian.

This is the first time for Hamlin to hold a district office in the Oil Belt District of Student Councils, and it can truly be said that the Student Council has moved Hamlin High up another rung on the ladder of success.

The Anson Tigers upset the Pipers Friday night by a score of 28 to 13. Yet, we can be sure that the Pipers weren't the only team upset as our boys played Anson a rough'n tough game.

The Pipers will meet the Stamford Bulldogs at Stamford this Friday. Our slogan for the week is sure to be: "Stop the Bulldogs!" We're proud to say that we're still behind our team and are looking for a victory Friday night!

Our welcome this week is sent out to Darrell Wilkins and Tommy King. Darrell, a sophomore, is the son of Mrs. Ruby J. Carter. His older brother, Bobby, is a senior this year. He works at the Little Dandy Drive-In, and one of his hobbies is to play the guitar.

Tommy, a freshman, attended the Anson Elementary School last year. He was born in Eugene, Oregon. We are certainly proud to have Darrell and Tommy in our school this year!

Mrs. Bill Keck reviewed "That Girl in Your Mirror" by Vonda Kay Van Dyke, Miss America of 1965, for members of the Future Homemakers of America at their meeting Monday evening.

Sue Roddy, president, presided during the business session when the group voted for FHA Beau and Miss FHA of the year to be announced.

## Thirteen FFA Boys Receive Chapter Farmer Degrees

Thirteen members of the Hamlin FFA Chapter were awarded the Chapter Farmer Degree at the regular chapter meeting Monday night. The Chapter Farmer Degree is the highest Degree that the local chapter can bestow upon its members.

Members receiving the Degrees were Bob Clifton, Tony Collins, Van Covington, John Hix, Bill Johnson, Keith Johnson, Gil Lain, Ronnie Nelson, Jerry Priddy, Rick Shamblin, Hollis Stephens, Howard Williams, and Jackie Don Williams.

Other business saw Dale Pritchard awarded \$5 for being the top Trick or Treat Candy Salesman of the chapter. Joe Connor was the second place salesman and Roy Pritchard was third.

Gary Ledbetter was the winner of a Winchester automatic rifle. Gary won the rifle in a drawing of the top magazine salesman.

Plans for the Stamford District FFA Leadership Contests were made. The contests will be held in Hamlin on Nov. 16.

Chapter members also saw a film on the Silver Anniversary National FFA Convention.

## Attend Camporee

Five boys from Troop 43 attended a Camporee at Ft. Griffin State Park Saturday and Sunday.

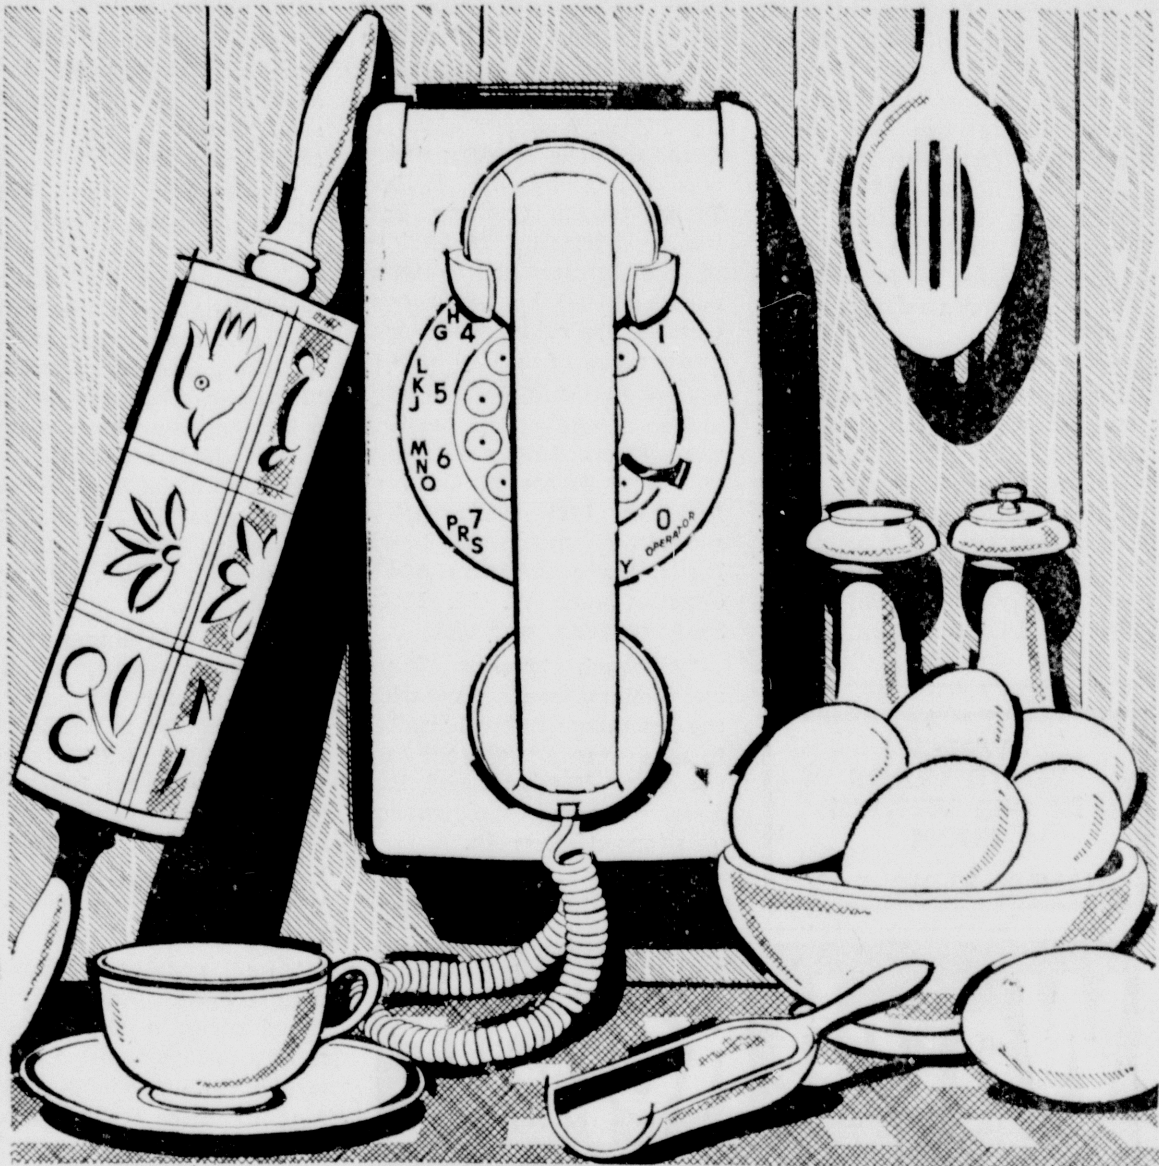

The boys, accompanied by F. E. Turner, were Mark Madden, Larry Early, Virgil Turner, Darrell Craig, and Butch Savage of Luegers.

Dec. 2 at the FHA Beau Night banquet. Committees were also named.

Margaret Cooper and Re-vonna Robertson were voted Miss FHA for November and December.
